Instructions for Abstract Preparation

The abstract should be word processed, using MS Word, in 12-point Times New Roman font. The title should be in bold. List authors' full names with middle initials and degrees. List authors' affiliations with a limit of one affiliation per author. The body of the abstract should be no more than **300 words and must be limited to the space of this page**. Do not include references, illustrations, funding sources, tables, or figures.

Abstracts should include a brief introduction describing the background for the research, the objectives, methods, results, and conclusion. See Abstract Sample for example.
