wms.org/conferences/canyonlands

Highlights

- Explore slot canyons and climb desert towers
- Become skilled in desert camping, survival techniques and the basics of canyoneering
- Revel in and truly experience the spectacular beauty of this iconic landscape

What do past attendees have to say about this adventure CME?

“This class was something you’d never find anywhere else. You learned a lot about yourself too, and how you deal with the elements of nature.”

“Everything I learned in this class was new and informative. This will be very applicable to my career.”

“It was fabulous! Tough physically and has a genuine academic component.”

“It is an amazing, once-in-a-lifetime experience.”

“Absolutely worth every dollar and minute.”
