

# MARINE MEDICINE CONFERENCE

## La Jolla, California

### April 28 - May 2, 2021

Experience the best in marine medicine education from one of the best beaches in southern California! This five-day conference will focus on topics such as hazardous marine life, surf zone injuries, hyperbaric medicine, marine science, and water rescue. Conference attendance fulfills the marine medicine requirement of the Diploma in Diving and Marine Medicine (DiDMM) but is open to all interested WMS members. Medical professionals will earn 18.75 *AMA PRA Category 1 Credits™*. Space is limited so don't wait to register!
